SKILLS

- Leadership**
- Empathetic humanity: I treat every person I engage with as a true individual.
 - Diplomatic resolve: I am unafraid to initiate difficult conversations to create compromise.
 - Conscious awareness: I pay attention to trends that impact human behavior, and vice versa.
 - Rapid evolution: I operate quickly at the micro, so our team produces consistent, tangible results.
 - Patient gratitude: I am genuine in the truth that real macro progress takes time.
- Digital**
- Adobe Creative Suite. SketchUp.
 - Design in creative presentation, typography, color theory, and information architecture.
 - Photography, digital color correction, and photo retouching skills.
 - Film, videography, video editing.
 - Virtual Reality painting using TiltBrush on Oculus Rift/HTC Vive.
- 2D**
- Highly trained in a variety of painting techniques in oil, acrylic, watercolor, and gouache.
 - Skilled in drawing, multi-media - observational, geometric, linear perspective.
 - Printmaking background - silk screen, litho, intaglio.
 - Refined skills in ceramics, both hand-building and throwing.
- 3D**
- Plaster casts, model making, and a wide variety of woodworking processes and equipment.
 - Skilled in use of shop tools including band saws, belt sander, drill press.
